

The "Lighthouses of Edgewater" Lighthouse Crawl

In celebration of the Edgewater Community Council's 50th Anniversary

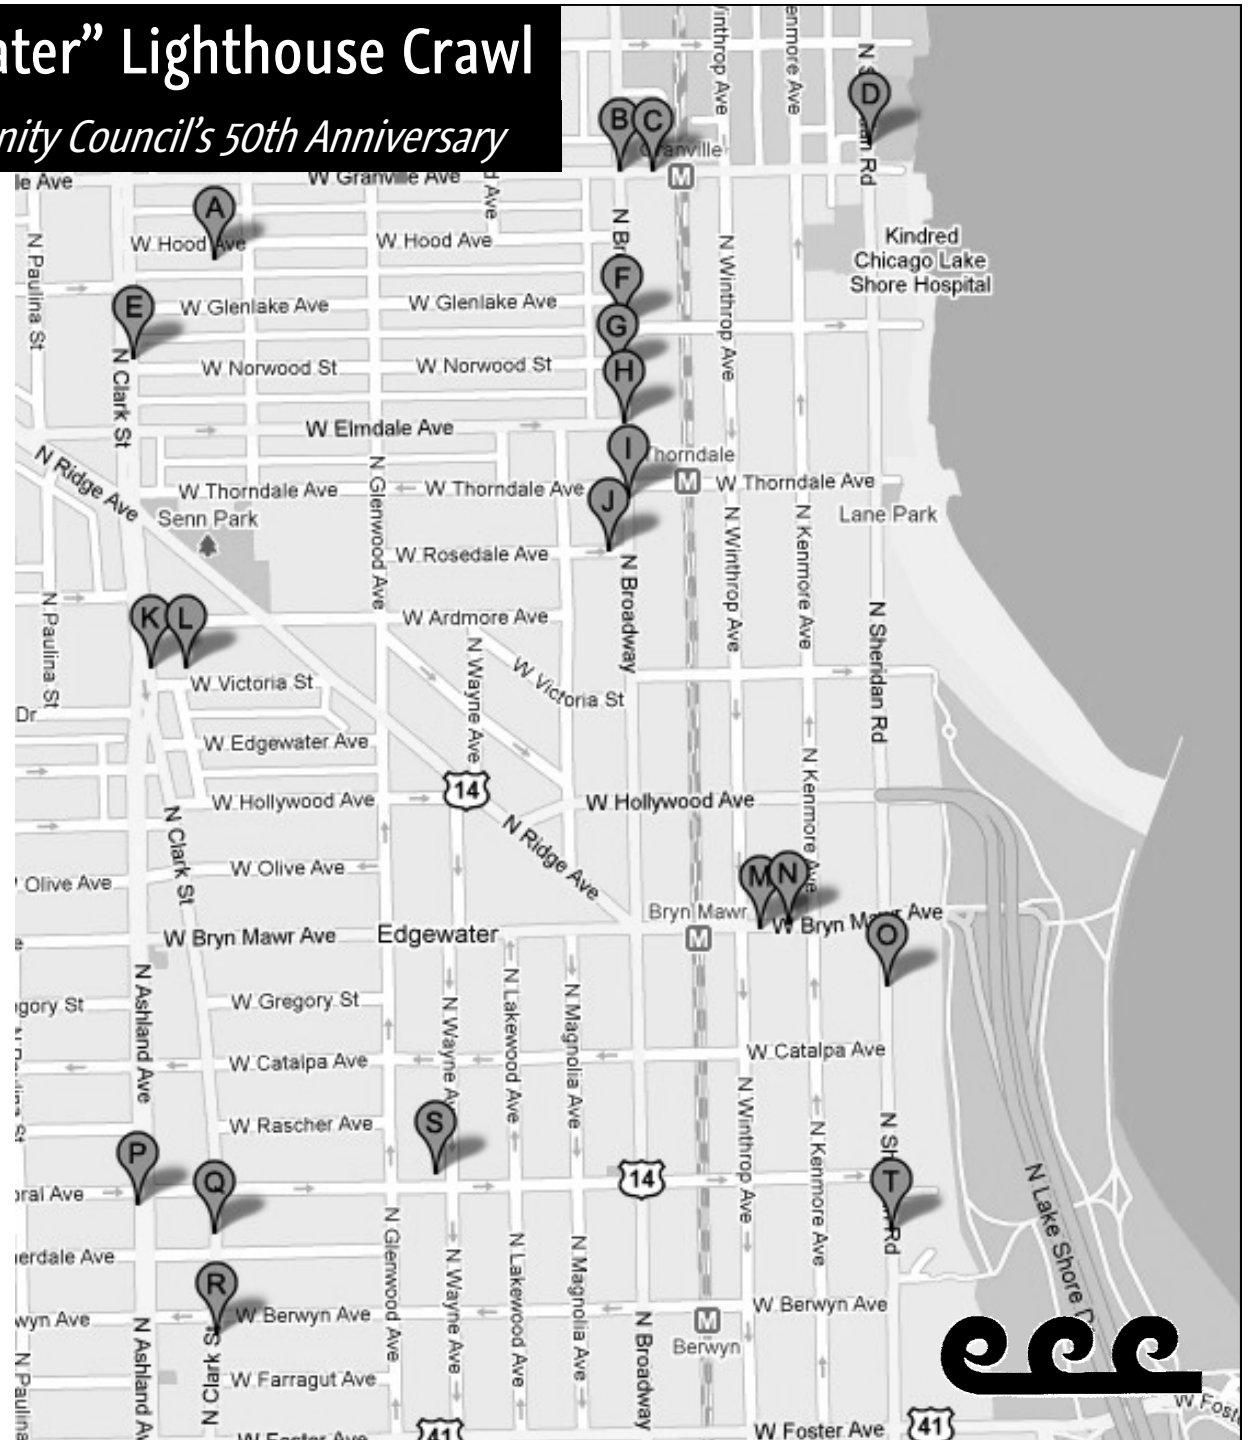

Please enjoy this self-directed Lighthouse Crawl directing you to the 20 beautiful and fanciful Lighthouses of Edgewater, which adorn neighborhood streets this summer, as part of the 2010 celebration of the 50th anniversary of the Edgewater Community Council (ECC). ECC's 50th Anniversary Committee chose the lighthouse to symbolize the organization's role in "lighting the way for 50 years" on many important community issues.

The lighthouses you will see on the Crawl were created and built by MICHAEL VOLINI and DAVID VOLINI with the guidance of neighborhood professional carpenters, GLEN JOHNSON and MATT STERN, and the assistance of KATHY KACEN. Each has been individually decorated by its sponsor, some with the aid of local artists.

Follow the map to view each of the Lighthouses, including two 10-foot tall models sponsored by Gethsemane Gardens (located at points K and L on the map). A detailed list of locations and sponsors may be found on the back of this sheet.

Please drop in and say "hello" to the business sponsors of all the lighthouses and remember to patronize them and thank them for supporting our community.

Additional copies of this map are available from the ECC office (773-334-5609) and for download from ECC's website, <http://www.EdgewaterCommunityCouncil.org>
